FROM: **Ho Mun
Promissor, Inc.**

DATE: **August 1, 2003**

SUBJECT: **Electronic Exams & Examination Fees for Hawaii Real Estate Examinations**

As you are aware, our company (formerly known as ASI) adopted a new name, Promissor. We're also adopting a new outlook, and are moving ahead with new technology. We are in the midst of a migration to a new testing platform. We are very excited and enthused about the new technology.

Our migration plans (to a new testing platform) have been completed for Hawaii Real Estate examinations. As discussed at the meeting on March 17, 2003, we have moved to our new testing platform on July 29, 2003.

The changes, for our candidates, will include the following:

- Hawaii Real Estate examinations will be administered on a PC, as opposed to the EXPro system. As with EXPro, candidates will NOT be required to have any prior knowledge of using a PC, nor will the examination itself be any more or less difficult than the examination currently administered on EXPro.
- Examination fees will no longer be collected at the testing locations, but rather, we will offer candidates the option of paying by major credit card, bank debit cards with major credit card logo or check-by-phone at the time of their reservation.

We will also be offering payment vouchers, which can be purchased in advance of making reservations. For more information on purchasing vouchers, instructors or individual candidates may contact our Accounting Dept. at 610-617-5107 or by utilizing the enclosed "Pre-payment Request Form". Vouchers will be issued for the same price as the examination fee. These electronic payment vouchers can only be used **once** the migration has been completed (on or after July 29, 2003).

We are very excited about this move to a new testing platform and trust the testing experience, for our candidates, will be a good one. All test center locations will have a minimum of ten (10) testing stations for your convenience. The new test center addresses for Kauai, Maui, and the Big Island will be provided at the time of reservations. The O'ahu test center location remains the same. All locations and frequency will also be available on the web or in the revised candidate handbook.

Also, effective immediately, paper practice examinations will no longer be available. The telephone number that can be found on the paper order form has been disconnected. If you are interested in a practice examination, please refer to www.promissor.com for an internet based practice examination. This service will replicate the look and feel of the actual testing administration and will provide each candidate with a diagnostic score report upon completion of the practice examination.

I apologize for the delay in sending this letter. If you have any questions, please contact me at ho_mun@promissor.com.

We will be printing new candidate handbooks and distributing them as soon as possible.

Thank you, in advance, for notifying your students of these changes.
